Freelance Pro

Wireless optical mouse and numerical keypad/calculator combination

The wireless combination Freelance Pro offers great freedom of movement. The practical set consists of a numeric keypad and an optical mouse. Both devices are operated wireless via a USB receiver! The optical mouse is suitable for right- and left-handed users. It is equipped with 3 buttons and a scroll wheel. The smooth and ball-less bottom guarantees uninterrupted operation and protection from dirt. The numeric keypad includes a calculator which simplifies the input of numbers with the Notebook. Thanks to the extremely flat and light-weight design the keypad is easy to carry also!
